Dear Congressman Brown,

Opposition to an unjust law creates futility for citizens who are its victims and increases the hostility between the governed and the governors.

In the case of the L.S.D. prohibition the state has entered directly into the sacrossant personal psyches of its citizens.

Our love pageant rally is intended to overcome the paranoia and separation with which the state wishes to divide and silence the increasing revolutionary sense of Californians. Similar rallies will be held in communities such as ours all over this country and Europe.

You are invited to attend and address our rally. For further information please contact Ron Thellin at 1535 Haight Street, 861-7074.
