

THE VAGABOND POET AQUARIUS

1997, On His Birthday

Here he is
back from Baja.
On his way to Denmark
the phantom Vagabond Poet.
He is welcome everywhere –
72 invitations to stay
in Scandinavia,
a cabin offered in Mendocino.
Performing his magic act –
at this very moment on stage
for his last appearance in America.
His poems flow around the world.
Watch out melancholy Danes,
here he comes for dinner
with his laundry,
tossing Caesar Salad,
with his videos, poems and tales.
The Vagabond Poet leaps
across borders and continents.
